

ASEAN CROSS-PILLAR ISSUES: INDICATIVE LIST

No.	Areas	ASEAN Cross-Pillar Issues					
		APSC		AEC		ASCC	
		Bodies/ Mechanisms	Issues	Bodies/ Mechanisms	Issues	Bodies/ Mechanisms	Issues
1.	Trafficking in Persons and People Smuggling	AMMTC	Ratification and entry into force of the ASEAN Convention Against Trafficking in Persons, Especially Women and Children (ACTIP).			SLOM	Implementation of ACMW Work Plan 2016-2020 which includes a thematic area on labour dimension of trafficking in persons. Under this thematic area, ACMW will coordinate with SOMTC under the APA framework.
			Implementation of ACTIP and the ASEAN Plan of Action Against Trafficking in Persons, Especially Women and Children (APA).			AMMSWD	Under the Strategic Framework of Social Welfare and Development 2016-2020, SOMSWD conducted the ASEAN Forum on Protection and Rehabilitation for Victims of Trafficking under the coordination of Malaysia.
			Development of the ASEAN Multi-Sectoral Work Plan Against Trafficking in Persons, also referred to as the "Bohol TIP Work Plan 2017-2020.			ACWC	The Regional Review on Laws, Policies and Practices within ASEAN Relating to the Identification, Management and Treatment of Victims of Trafficking Especially Women and Children, which was launched on 28 September 2016, was developed by ACWC in consultation, among others, the AICHR and SOMTC.
			People smuggling is an area under the purview of SOMTC and DGICM.				The Gender Sensitive Guideline for Handling Women Victims of Trafficking in Persons, which was adopted and disseminated in 2016, was developed in consultation with SOMTC.
			Development of the people smuggling component of the SOMTC Work Programme 2016-2018.				The ACWC Work Plan 2016-2020 includes a thematic area on trafficking in women and children. The ACW Work Plan 2016-2020 also includes a priority area on the protection and empowerment of women in vulnerable situations, including women and girl victims of human trafficking .
			ARF	TIP is a priority area in the 2015-2017 ARF Work Plan on Counter-Terrorism and Transnational Crimes (CTTC).			ACW
		AICHR	Support implementation of ACTIP/APA through: (i) enhancing coordination and cooperation on human rights-based approach to the implementation of ACTIP and APA among ASEAN Sectoral Bodies/Organs; and (ii) enhancing National Action Plans (NAPs) to be in line with ACTIP/APA.			SOMHD	Implementation of related project activities under the Work Programme of ASEAN Health Cluster 3 on Strengthening Health Systems and Access to Care for 'special populations.'

2.	Maritime Security/ Cooperation	AMM/SOM	Joint Statement on the Application of the Code of Unplanned Encounters at Sea (CUES) in the South China Sea.	ATM STOM MTWG	In the Kuala Lumpur Transport Strategic Plan (KLTSPP), establishing an ASEAN Single Shipping Market (ASSM) and promoting maritime safety, security and strategic economic corridors within ASEAN are the strategic goals of maritime transport area. Issues discussed in the MTWG include convening regional workshops/seminars to support implementation or ratification of International Maritime Organisation (IMO) conventions by ASEAN Member States; developing guidelines for ASEAN Member States on navigational and passenger safety; and improving port security in ASEAN Member States through implementation of the Port Security Group programmes.	AMME	Convening of the ASEAN-Republic of Korea (ROK) Training Course for the First Responders (Level 1) on 14-18 March 2016 and Supervisor/On Scene Commanders (Level 2) on Oil Spill Response on 23-27 May 2016.
			Guidelines for Hotline Communications Among Senior Officials of the Ministries of Foreign Affairs of ASEAN Member States and China in Response to Maritime Emergencies.				
			Draft Declaration for a Decade of Coastal and Marine Environmental Protection in the South China Sea (2017-2027).				
		AMMTC	Sea Piracy is an area under the purview of SOMTC.	COST SCMSAT	Scientific and technological maritime cooperation.		
		ADMM	Establishment of the ASEAN Direct Communications Infrastructure (ADI) in the ADMM Process.	AMAF/ASWGF/ FCG-ASSP	Enhancing regional cooperation to combat illegal, unreported, unregulated (IUU) fishing through the development of the ASEAN Catch Documentation Scheme and Regional Fishing Vessels Record; and building capacity to implement port state measures.		
		ADMM-Plus	Implementation of the three-year Work Plan for the Experts' Working Group on Maritime Security (EWG on MS).	SOM-AMAF	The Special SOM-38th AMAF Meeting held on 14-15 August 2017 noted the studies on the Stock and Risk Assessment of Neritic Tuna Resources in Southeast Asia. The Meeting also agreed to submit the ASEAN Catch Documentation Scheme (ACDS) for Marine Capture Fisheries to the 39th AMAF Meeting for adoption.		
ARF	Maritime security and cooperation; safety of navigation and marine environment; and sustainable development are part of the 2015-2017 ARF Work Plan on Maritime Security. The ARF in 2017 issued a Statement on Cooperation to Prevent, Deter and Eliminate Illegal, Unreported and Unregulated (IUU) Fishing.

3.	Counter Terrorism	AMMTC	Implementation of the ASEAN Convention on Counter Terrorism (ACCT).	AFMM	<p>ASEAN in collaboration with the Asia Pacific Group on Money Laundering (APG) have been undertaking efforts to implement effective anti-money laundering and counter terrorist financing (AML/CFT) regimes through coordinated technical assistance and training activities since 2005.</p> <p>2 AMS (Malaysia and Singapore) are currently members of the Financial Action Task Force (FATF) which works to set standards and promote effective implementation of legal, regulatory and operational measures for combating money laundering, terrorist financing and other related threats to the integrity of the international financial system.</p> <p>The FATF's International Cooperation Review Group (ICRG) is assisting and listing jurisdictions with significant AML/CFT deficiencies to have better compliance with FATF standards, therefore pushing the agenda of AML/CFT reform. Brunei Darussalam, Cambodia, Indonesia, Myanmar, the Philippines, Thailand and Vietnam, which were previously under ICRG review, have all exited the process.</p>		
			Adoption of the ASEAN Comprehensive Plan of Action on Counter Terrorism (ACPoA on CT).				
		ADMM-Plus	Implementation of the three-year Work Plan for the Experts' Working Group on Counter Terrorism (EWG on CT).				
		ARF	The ARF Work Plan on CTTC focuses on five priority areas: Illicit Drugs; Chemical, Biological, Radioactive and Nuclear (CBRN); Security of and in the Use of Information and Communications Technologies; Counter Radicalisation; and Trafficking in Persons			SOMHD	Health Security initiatives are currently being undertaken by the ASEAN Health Cluster 2 on Responding to All Hazards and Emerging Threats. These initiatives include laboratory capacity building, disease surveillance and managing big data analytics in the mitigation of biological threats. In addition to these initiatives, there is the establishment of the ASEAN Emergency Operations Centre (EOC) Network that will also include activities to address threats of chemical, biological, radioactive and nuclear threats. Non-traditional threats such as impacts of pandemics or public health emergencies of international concern will also be addressed by Health Cluster 2 Work Programmes.
4.	Cybersecurity	AMMTC	The AMMTC specifically handles issues on cybercrime.	TELSOM	<p>Cybersecurity is covered by the ASEAN ICT Masterplan 2020 under the strategic thrust on Information Security and Assurance.</p> <p>An ASEAN Cybersecurity Cooperation Strategy has been developed (to be adopted on November 2017). The strategy will serve as guidelines for ASEAN cooperation on cybersecurity among ASEAN Member States and with ASEAN Dialogue Partners.</p>	s	The issues of cyberbullying and online child exploitation and abuse are among the issues that the ACWC is currently addressing through the implementation of the ASEAN Regional Plan of Action on the Elimination of Violence Against Children (RPA on EVAC) and the ACWC Work Plan 2016-2020, which has a specific thematic area on eliminating all forms of violence against children.
			The SOMTC WG on Cybercrime regularly updates the Glossary of Terms in Cybercrime, as it is crucial for law enforcement to speak the same language in addressing the threats of cybercrime.

			Implementation of the cybercrime component of the SOMTC Work Programme 2016-2018. An example of an on-going capacity building initiative to fight against cybercrime is the "ASEAN Cyber Capacity Development Project", a two-year project which aims to boost a common understanding of cybercrime and cyber-enabled crime and to enhance regional and extra-regional cooperation on cyber capacity building and training, law enforcement, coordination of efforts, legal matters and information exchange.		Regular cooperation with Dialogue Partners, especially Japan, have been conducted in the areas of security incident response, critical information infrastructure protection, security awareness raising, and human resource development.		
		ADMM-Plus	Implementation of the three-year Work Plan for the Experts' Working Group on Cyber Security (EWG on CS).	COST/SCMIT	Capacity building in the area of cybersecurity.		
		ARF	As a subset of the ARF Work Plan on CTTC, the ARF Work Plan on Security of and in the Use of Information and Communications Technologies was adopted in 2015 and focuses on transparency and confidence-building measures in cyberspace and building the capacity of governments to protect their ICT systems and critical infrastructure. The establishment of the ARF Inter-Sessional Meeting on Security of and in the Use of Information and Communications Technologies (ISM on ICTs Security) in August 2017.				
5.	Peacekeeping/Post-conflict peacebuilding	ADMM	ASEAN Peacekeeping Centres' Network (APCN).			ACWC	The ACWC Work Plan 2016-2020 includes a thematic area on women participation in politics and decision-making, governance and democracy.
		ADMM-Plus	Implementation of the three-year Work Plan for the Experts' Working Group on Peacekeeping Operations (EWG on PKO).				
		ARF	The ARF Inter-Sessional Meeting on Peacekeeping (ISM on PKO) focuses on issues such as national peacekeeping operations and the lessons learned.				
		ARMAC	ARMAC is envisioned to be a center of excellence to encourage ASEAN Member States' efforts in dealing with explosive remnants of war (ERW).

		AIPR	<p>Strengthening Women's participation in peace processes.</p> <p>Proposal to launch the ASEAN Women's Network for Peace Forum following the appointment of the AIPR Executive Director.</p> <p>Establishing an ASEAN Training Center on Peace, Reconciliation and Gender Studies.</p>			SOM-ED	Promoting a culture of peace and understanding through education in contributing towards a peaceful and harmonious ASEAN Community through the incorporation of peace education in national school curricula for pre-primary and primary schools in provision of capacity building on use of Sourcebook, and on the topic of peace education.
6.	Human Rights	AICHR and Relevant ASEAN Sectoral Bodies	<p>Sustainable Development Goals (SDGs) and Human Rights.</p> <p>SDGs and Universal Health Coverage.</p>	AMAF	The ASEAN Cooperation on Food Security & Nutrition identifies the following key priorities for joint actions among key ASEAN sectoral bodies: improving procedures on rice/food reserves; promoting sustainable agri-food system; promoting conducive food market and trade; strengthening food security and nutrition information system; increasing resilience to climate change through agricultural technology and innovation; and promoting nutrition-enhancing agricultural development.	SOMHD	Promotion of Universal Health Coverage (UHC), as a Health Priority, is under the Work Programme of Health Cluster 3. (ie. Strengthening Health Systems and Access to Care. This supports the right to health by the identified special populations of Health Cluster 3. Related issues in achieving UHC include addressing access to relevant and quality health services; access to competent human resources for health who deliver them; and, access to effective health care financing to support the delivery of such health services. Included in this issue is ensuring rights of people living with HIV and AIDS.
						SLOM	Implementation of ASEAN Labour Ministers' (ALM) Work Programme 2016-2020 which includes thematic areas on HIV prevention and control in the workplace addressed by ASEAN-Occupational Safety and Health Network (ASEAN-OSHNET) and social protection of migrant workers in ASEAN (addressed by ACMW). Under thematic area on HIV prevention and control in the workplace, ASEAN-OSHNET has a project to address stigma of HIV/AIDS in the workplace and identifies SOMHD as potential collaborator. Under thematic area on social protection of migrant workers, ACMW will collaborate with SOMHD on addressing health risk of migrant workers including those affected by emerging infectious diseases.

			Right to Adequate Food and Food Sovereignty.			SOMHD	Under the ASEAN Post 2015 Health Development Agenda, food safety, and promotion of good nutrition and healthy diet are cross cutting themes with sectors of agriculture, poverty alleviation, standards, and social welfare. There are already regional activities under the respective Work Programmes of Health Cluster 1 (Promoting Healthy Lifestyles), Health Cluster 3 (Strengthening Health Systems and Access to Care, and Health Cluster 4 (Enhancing Food Safety) that can address this issue together with the non-health sectors.
			Right to water (emphasis on rural and indigenous communities).				
			Human rights, Environment and Climate Change – Regional Management Strategy for an Effective Environmental Assessment .				
			Development of the Legal Instruments on Human Rights.			SLOM	Implementation of the ASEAN Declaration on the Protection and Promotion of the Rights of Migrant Workers through (1) development of ASEAN instrument on the protection and promotion of the rights of migrant workers; and (2) implementation of ACMW Work Plan 2016-2020.
			Mainstreaming the Rights of Persons with Disabilities in ASEAN.				
			Corporate Social Responsibility (CSR) and Human Rights – regional strategy or guidelines.				
			Right to Life.			SOMHD	Under the ASEAN Post 2015 Health Development Agenda, increased access to healthcare and improved nutrition are included as health priorities. There are activities under the Health Cluster work programmes to promote these priorities, specifically in Health Cluster 1 (ie. Promoting healthy lifestyles) and Health Cluster 3 (Strengthening Health Systems and Access to Care) through initiatives on maternal and child health, pharmaceutical development, and universal health coverage.

		Bodies/ Mechanisms	Issues	Bodies/ Mechanisms	Issues	Bodies/ Mechanisms	Issues
			Preparation for the next ASEAN joint statement to be delivered at the United Nations General Assembly Special Session (UNGASS) on the World Drug Problem in 2019.				
		AMMTC	Illicit trafficking of drugs is an area under the purview of SOMTC.			SOMHD	Ensuring a drug-free ASEAN is being addressed by the ASEAN Post 2015 Health Development Agenda through Health Cluster 1 (Promoting Healthy Lifestyle) and Health Cluster 2 (Responding to All Hazards and Emerging Threats). The Work Programmes of these Health Clusters included initiatives in mental health, and public health interventions on IDUs in HIV and AIDS Prevention and Control activities.
		ARF	Illicit drug trafficking is one of the priority areas of the ARF Work Plan on CTTC 2015-2017 with Thailand and the US as lead countries. In 2010, the US proposed the establishment of an ARF Transnational Threat Information-sharing Center (ATTIC) which will primarily focus on drug-related transnational crime. The proposal is still under consideration and will continue to be discussed in the ARF. In 2017, the ARF issued a Statement on Enhancing Cooperation in Addressing and Countering the Drug Problem.				
9	Pharmaceuticals			SEOM, ACCSQ, PPWG	Development of strategies and integration initiatives/approaches to support the elimination of technical barriers to trade in the pharmaceutical products towards the realisation of ASEAN Economic Community (AEC) without compromising the safety, efficacy and quality of pharmaceutical products placed in the ASEAN market		
10.	Environmental Crime	AMMTC	SOMTC is developing a work plan for the area of illicit trafficking in wildlife and timber.	ASOF/AMAF	Implementation of the Plan of Action (POA) for ASEAN Cooperation on Convention on International Trade in Endangered Species (CITES) and Wildlife Enforcement (2016-2020) which include developing regional mechanism on preventing wildlife trafficking, reducing trade in illegal wood products, strengthen networking among relevant law enforcement authorities.	AMME	Development of proposal on "the Development of a Cross-sectoral Strategy for Wildlife Management and Biodiversity Conservation in the ASEAN Region (ACB)."
			The AMMTC is also to consider the establishment of the SOMTC working group on illicit trafficking of wildlife and timber.

		Bodies/ Mechanisms	Issues	Bodies/ Mechanisms	Issues	Bodies/ Mechanisms	Issues
11.	Money Laundering and International Economic Crime	AMMTC	Both are areas of cooperation under the purview of the AMMTC/SOMTC.	AFMM	<p>ASEAN in collaboration with APG have been undertaking efforts to implement effective AML/CFT regimes through coordinated technical assistance and training activities since 2005.</p> <p>2 AMS (Malaysia and Singapore) are currently members of FATF who works to set standards and promote effective implementation of legal, regulatory and operational measures for combating money laundering, terrorist financing and other related threats to the integrity of the international financial system.</p> <p>The FATF's ICRG is assisting and listing jurisdictions with significant AML/CFT deficiencies to have better compliance with FATF standards, therefore pushing the agenda of AML/CFT reform. Brunei Darussalam, Cambodia, Indonesia, Myanmar, the Philippines, Thailand and Vietnam, which were previously under ICRG review, have all exited the process.</p>		
12.	Nuclear Safety/ Nuclear Security	ASEANTOM	ASEANTOM focuses cooperation among nuclear regulatory bodies on: (i) sharing of best practices and experience in regulating nuclear and radioactive materials, with regard to safety, security, and safeguards; (ii) forging regional cooperation on nuclear emergency preparedness and response, environmental radiation monitoring, and nuclear security including nuclear forensics, etc. Efforts to pursue formalisation of relations between ASEAN and IAEA are ongoing. The Fourth ASEANTOM Meeting in December 2017 will continue discussions on this subject. Despite the absence of a formal partnership between ASEAN and IAEA, there is an existing working relation between the latter and the energy sectoral body.	SOME/ AMEM through the Civilian Nuclear Energy Subsector Network (NEC-SSN)	Build up capabilities on nuclear energy, including nuclear regulatory frameworks, civilian nuclear safety on emergency response and preparedness, amongst policy makers and technical officers (including pursuing the implementation of the Canada-supported Two-year Program Administrative Support for the ASEAN Centre for Energy (ACE), 2016-2018 and proposal to pursue practical non-binding cooperative arrangements with International Atomic Energy Agency (IAEA).	SOMHD	Health Security initiatives are currently being undertaken by the ASEAN Health Cluster 2 on Responding to All Hazards and Emerging Threats. These initiatives include laboratory capacity building, disease surveillance and managing big data analytics in the mitigation of biological threats. In addition to these initiatives, there is the establishment of the ASEAN Emergency Operations Centre (EOC) Network that will also include activities to address threats of chemical, biological, radioactive and nuclear threats. Non-traditional threats such as impacts of pandemics or public health emergencies of international concern will also be addressed by Health Cluster 2 Work Programmes.
		SEANWFZ Commission/EXCOM	Implementation of the SEANWFZ Treaty and the Plan of Action to Strengthen the Implementation of the SEANWFZ Treaty. The principal objective of the Treaty is to preserve Southeast Asia as a nuclear weapon-free zone.				
		ARF	The ARF Work Plan on Non-Proliferation and Disarmament sets out three priority areas: non-proliferation; peaceful use of nuclear technology, and disarmament.
